TRAINING SCHOOL

## ABOUT US

At The Lash Collection Training School each student will leave equipped with extensive product knowledge, a comprehensive understanding of the theory, and the practical ability in the artistry of their chosen field. Our experienced educators are based throughout South Africa and offer a wealth of knowledge and hands on training support.

Students will be guided through their learning experience, ensuring they reach their full potential and maintain the highest possible standard of work. The Lash Collection is a corporate member of SAAHSP and our training courses are all CPD approved SAAHSP programmes.

Our short courses offer an excellent career opportunity for therapists wanting to expand on their existing offering or to start a new business in an exciting and growing industry.

## EYELASH ENHANCEMENTS

Our lash training course is one full day and no previous experience or beauty qualification is required, but having attention to detail, patience and a steady hand will be to your advantage. Students will work on a model of their choice during the practical session, and will be required to complete ten case studies and an additional practical assessment to qualify for their certificate.

Students that have previous lash experience and would like to qualify for The Lash Collection certificate can book for a conversion training session. A two hour practical assessment will be completed under supervision of one of our educators. Our Master Kit contains all the tools need and enough product to yield in excess of 40 full sets of lashes.

## ADVANCED EYELASH ENHANCEMENTS

For eyelash technician's that have mastered the art of classic lashes and want to advance their skill set to the next level, this is the course for you! This advanced class covers both the 3D and Volume techniques, teaching students to apply multiple extensions to each individual natural eyelash.

Using the advanced techniques, full and more volumised looks can be created, whilst still maintaining the health of your clients natural eyelashes.

The course is one full day after which students will be required to submit ten case studies to qualify for their certificate. The Volume Kit contains all the essential tools, and enough product for 30-40 full sets of Volume lashes.

### VOLUME KIT

Cosmetic Case  
Fina Adhesive

## THREADING

Threading is a natural, quick and effective method of hair removal. It is inexpensive and an excellent treatment to offer in conjunction with eyelash and brow enhancements.

No previous experience or beauty qualification is required. Students will learn how to master the mouth and hand techniques and will be required to complete a full chin, upper lip and brow thread during their practical session.

The course is one full day after which students will be required to submit ten case studies before qualifying for their certificate.

The training fee includes the course manual, one 300m spool of organic cotton thread, and the course certificate.

Training Fee .....R2200  
Additional Therapist Fee .....R1800
